The Air Pilots brings together two young musicians and singers from jazz training, **Brice Sommen** and **Julien Simoni**. **They sing the greatest hits of pop, soul and rock**, combining energetic rhythms with stunning vocal and instrumental virtuosity.

The Air Pilots guarantee that you can **turn any venue into a dancefloor** with their **eclectic repertoire**, ranging from Ray Charles to Daft Punk, Elton John, Michael Jackson, Stevie Wonder, Bruno Mars and many more!

They participated in the festival of **Jazz in Marciac**, but also in **private events** such as corporate parties in Paris, Marseille, Toulouse, Barcelona and New York, leading them on the stages of the **Casino Barriere** and the **Zenith of Toulouse**.
